'Hanging' concludes with record crowds attending

"The Hanging: The Saga of Betsey Reed," written by Dann M. Norton and presented by the Lawrence County Arts Council in cooperation with the Lawrence County Historical Society, held its final performances this weekend where record crowds were in attendance at all three shows. Above, Rev. John Seed, Sam Mikeworth, is shown delivering his monologue to Reed (seated), portrayed by Jamie Cox. At right, the coroner's jury is shown surrounding the bed of Leonard Reed, Vince Dill, after his untimely demise.
